They always seek to develop and operate properties in ways that reduce adverse impacts on the environment by minimising resource use, pollution and waste.

AN ICONIC RESULT

Canberra is changing at light speed. As it continues to bloom into a vibrant global city, it's barely recognisable from even a decade ago. As two ambitious and fiercely proud ACT-based businesses, we're passionate about leading the charge. So when the opportunity presented itself to join forces to create Aspen Village, we grasped it with every ounce of energy we had.

The site, the design, the vision. It's all come together brilliantly, delivering something truly remarkable that Canberra has never seen before. Inspired by the rich alpine cultures of Europe and North America, Aspen Village melds this luxuriously relaxed, nature-filled lifestyle with all the buzz and amenity of modern urban living.

Beautiful indoor and outdoor amenity act as an all year-round extension of your apartment. The Alpine Bathhouse – complete with 12 person sauna and 3 private spas – offers the perfect place to relax and recharge.

Meanwhile, The Summit brings the ultimate in rooftop entertaining including infinity edge pool, 3 BBQ's and 3 firepits, plus lounge areas that can be booked for private enjoyment. Aspen Village delivers all this luxury amenity and more to truly help enhance your life.

Below your apartment is a vibrant village that holds everything you need to make your life complete without leaving home. Step out to discover a coffee shop, gastro pub, pizza shop and bakery, plus a gym, grocery store and bottle shop all moments from your doorstep.

It's an iconic place. A genuine gamechanger. It's also exciting proof of just what's possible when two powerhouses of the Canberra property market unite to harness decades of collective energy, creativity and vision. We couldn't be happier with the result, and we know buyers will feel exactly the same way.

WHY INVEST IN TUGGERANONG?

WITH A POPULATION OF MORE THAN 85,000 AND ONE OF CANBERRA'S MOST RELAXED CONTEMPORARY LIFESTYLES, TUGGERANONG CONTINUES TO EXPERIENCE ABOVE-AVERAGE POPULATION, ECONOMIC AND RESIDENTIAL PROPERTY GROWTH.

Tuggeranong is located 20km to the south of the Canberra CBD, an easy 20-minute drive. Rich in parklands and nature reserves, it occupies 117 square kilometres to the east of the historic Murrumbidgee River and is close to Lake Tuggeranong, created in 1987.

The Tuggeranong Town Centre is a major established retail precinct, with excellent community amenity and extensive transport connections to the Canberra CBD and beyond via road and bicycle.

The region is also considered one of the ACT's employment hubs, with a vibrant mix of private businesses and government departments including Dept Human Services and Dept Social Services.

Boasting value for money that's increasingly hard to find elsewhere, Tuggeranong presents the perfect opportunity for owner occupiers to enter the Canberra property market. In fact, in many instances it's more affordable to buy than rent.

In addition to those looking to own occupy, an undersupply of quality homes means that there is high demand for rental properties in the region — making Aspen Village an ideal investment with rental returns up to 7% being achieved.
